

## Welcome Pink Sheet Subscriber.

### Activate the ONLINE portion of your subscription Now.

Great – you’ve heard the news. As a subscriber to **Cardiology Coder’s Pink Sheet**, the newsletter, you now have access to the **Cardiology Decisions** online solutions center.

**Cardiology Decisions** is where Pink Sheet editors alert you to critical cardiology coding/billing guidance as it develops-24 hours a day, 7 days a week, and where you can access the complete CPT®, ICD-9 and HCPCS codes, descriptions, guidelines and fees online.

Your subscription to **Cardiology Decisions** includes:

<b>CPT, ICD-9, HCPCS Code Sets &amp; Look-Up Tool</b>	<b>Payment/Fee Information</b>	<b>Change Alerts &amp; Best Practices Articles</b>	<b>Archives &amp; Source Documents Library</b>
<p>Save time and steps in your coding process</p> <p>Using the site, you can:</p> <ul style="list-style-type: none"> <li>• Search the Entire CPT code set by alpha index, tabular, keyword or description of code; the entire ICD-9 code set by alpha index or numeric code; and the entire HCPCS code set by alpha index, numeric index or description</li> </ul> <p>Cut down on confusion over what a code means or its intended use with</p> <ul style="list-style-type: none"> <li>• Plain-English descriptions of every code</li> <li>• Tips and clarifications found in articles from your Specialty Coder's</li> </ul>	<p>No more calculation headaches or hunting for up-to-date fees.</p> <p>Find on this site the</p> <ul style="list-style-type: none"> <li>• latest Medicare fee rate, specific to your area for any code</li> <li>• Conversion factor for each CPT and HCPCS code</li> <li>• Physician Fee Schedule payment rules</li> <li>• National Physician Fee Schedule</li> </ul>	<p>Relevant, need-to-know news, guidance and real-world, vetted tips from practices are yours</p> <ul style="list-style-type: none"> <li>• Alerts &amp; Updates posted several times at week</li> <li>• A searchable reference archive all Coder's Pink Sheet articles and newsletters from 2006 to today. Search by keyword or code #.</li> <li>• E-clipping functionality that allows you to mark off and save for later the articles of the</li> </ul>	<p>Whatever your challenge, you'll find a knowledgebase of answers at your fingertips.</p> <ul style="list-style-type: none"> <li>• All Coder's Pink Sheet newsletters as they appeared in print from 2006 to today.</li> <li>• Dozens of Coder's Pink Sheet Physician Tip Sheet documents archived for you to reference and share with others</li> <li>• A Public Library of verbatim official source material, plus other helpful tools you'd use in the course of your everyday work</li> </ul>

<p>Pink Sheet that we've attached right along side the code entries for easy reference</p> <ul style="list-style-type: none"> <li>• Visual icons at the code level to alerts you to changes or restrictions important in selecting and billing the code accurately.</li> </ul> <p>Keep track of the codes you use most often</p> <ul style="list-style-type: none"> <li>• Bookmark the codes you'd commonly be searching for – they'll appear in your own CodeSearch Bookmark folder every time you access the code</li> <li>• Add custom notes to specific codes – they'll appear every time you access that code</li> </ul> <p>Communicate must know code information and train others with</p> <ul style="list-style-type: none"> <li>• Customized code information documents - - #s, descriptions, fees, and more -- that you can build yourself within the CodeSearch portion of the site.</li> </ul>		<p>most interest or use to you. They'll be in your own Bookmarks area of the site each time you log on for as long as you want them.</p>	<p>processes.</p> <p>Included are:</p> <ul style="list-style-type: none"> <li>• Acronyms &amp; Abbreviations that are sure to show up your physician's documentation</li> <li>• 1995 and 1997 Documentation Guidelines and a Sample Audit Tool you can use right now</li> <li>• Coding Tools That Reference Subjects you care about: Place of Service codes, UPINs and many more!</li> <li>• 15 different E/M Quick guides to help you select the correct E/M code</li> <li>• Fee Data to help get your claims paid</li> <li>• HCPCS Alpha Index, Table of Drugs and Crosswalk</li> <li>• HIPAA information and relevant documents</li> <li>• ICD-9-CM – Links to Appendices and Code updates</li> </ul>
